## Premium Hot Spot Service

Customize, monetize and manage your Wi-Fi platforms through a cloud-based Wi-Fi hotspot solution. Fully managed by Orbis Yacht, the platform can be customized for each site and has the flexibility to control, limit and manage bandwidth per user group. WI-FI can be accessed by permanent or temporary users with the possibility to set bandwidth consumption capacity. A dashboard will provide full data regarding revenues and usage statistics and custom payment methods can be set up.

- > Drag&drop customized login page, different for each site
- > Unlimited Internet access options
- > Possibility to manage multiple sites simultaneously
